WD-600

WD-700

General Description

Watchdog detector guards are designed to provide maximum protection against tampering with detectors. Units are constructed of 9 gauge, zinc plated wire and welded together. Units are provided with security mounting hardware.

Dimensions

MODEL	A	B	C
WD-600	4"	3-3/4"	5-3/4"
WD-700	4"	5"	6-1/2"

(measurements are inside dimensions)

NOTE: This area may be cut out to allow for conduit passage on surface mount units. Can be factory supplied this way.
