ENCLOSURE

*Manufacturer requirements may be different*

## NOTES

1. Floor plans can be enlarged or reduced to accommodate the appropriate enclosure size. Unless a site plan is required, use a scale size of 1/8" = 1' or larger to preserve details.
2. As an optional service, in addition to our standard annunciator pricing, we will mount and wire YOUR serial lamp driver cards. Please call us if your driver card is not listed above.
3. The above quantities and sizes are approximate. Call if you have special requirements.
